The Advent of The Next Church

Advent is a new beginning in the Christian calendar. This Advent is more special than ever as we are emerging from the Pandemic and trying to reconstruct many aspects of our lives as the "next normal." Indian author Arundhati Roy said in her article, 'The Pandemic Is A Portal,' that the pandemic is a gateway between one world and the next. We usually consider Advent a season of waiting. However, I want us to shift our mindset from waiting to active longing. The sense of waiting sounds passive to me. Active longing inaugurates hope with actions that God is leading us into "the substance of things hoped for, the evidence of things not seen" (Hebrews 11:1). As Henry Nouwen, a Dutch Catholic theologian, said, "The person of hope lives in the moment with the knowledge and trust that all of life is in good hands."

What kind of church is God forming in the world, and how can the Bethesda UMC respond to the call of the Advent of the Next Church?

Jesus led the Next Church movement in the first century in Roman Judea when he proclaimed a God of redeeming grace for all nations, not just for the Jews and salvation by faith, not by keeping the law. He instituted baptism by the Holy Spirit and the Lord's Supper for the new church served by disciples of Jesus Christ.

So, what is God's calling for the church in the post-pandemic era? What kind of church is God forming in the world, and how can BUMC respond to the call of Advent of the Next Church?

A digital transformation and expansion in e-commerce widened a gap between the technologically advanced and disadvantaged; women, the elderly, and those who cannot afford data fees are further marginalized globally. In addition, we see a growing nationalism that threatens our attempts to build a more inclusive, resilient, and sustainable world because of financial challenges created during the Pandemic. What would be the role of the Next Church when over 8,000 migrants have been relocated to the Washington, DC area since April of 2022?

BUMC has been "Re-imagining the church" this year. Like other churches, we have had to deal with declines in attendance and resources during the pandemic. According to the Barna Group, in 2020, one in three practicing Christians dropped out of church completely at the beginning of COVID-19. Church membership in the US dropped below 50 percent for the first time in 2020, according to Gallup data dating back to 1940. However, BUMC has been maintaining an average of 200-250 attendance in-person and online combined in 2022, which is about the same as before the pandemic. God has blessed BUMC with faithful members supporting the church with their prayer, presence, gifts, service, and witness.

Now, as we enter the portal to the Next Church, I urge us to embrace the moment for the new vision of a church: How can children, Millennials (23 to 38), Gen Xers (39 to 54), Baby Boomers (55 to 73) and the Silent Generation (74 to 91) live together in the post-pandemic era? What would be the church's role in the face of further polarization of those who have and have not? What kind of ministry is God calling BUMC to focus on so that we will continue to be a 'Wash More Feet' congregation in the Next Church?

Henri Nouwen said, "The Lord is coming, always coming. When you have ears to hear and eyes to see, you will recognize him at any moment of your life. Life is Advent; life is recognizing the coming of the Lord."

Certainly, God is opening a new era of the Next Church for us. Christ came even when he was uninvited. May God open our ears and eyes to recognize the new vision of Christ for the post-pandemic world.

Yours in Christ,

Rev. Ji Ho

Praying Together

There are two opportunities during the week to join with others from our church in prayer. You're invited to stop by the church on Wednesdays at noon and be part of a Taizé Prayer Service. This time of worship includes communion and will be led by Rev. HiRho and/or Dr. Shaw Brewer. Then, on Thursdays at noon, you are invited to be part of an online prayer time with Shaw Brewer and others from our congregation. Email Shaw for the Zoom link.

Online Prayer Requests

We are shifting the way we distribute our prayer list in order to provide more safety and security. If you wish to receive the list each week via email, please use the form on our website, https://washmorefeet.org/prayer-ministry to sign up. As always, we will continue to have the printed version of the prayer list available at our worship services. Please know that our prayer team will be praying for you and your loved ones throughout the week.

COVID Update

BUMC will no longer require a mask for those helping with children except those working in the nursery.

Our Re-Entry Team continues to monitor the situation, and if any changes are warranted or mandated by the county we will adjust and communicate to the congregation. In the meantime, stay safe and stay in connection with the BUMC community and with God.

Sounds of the Season: Christmas Concert at BUMC

Are you feeling a little rushed and need to slow down, or are you trying to get energized for the season? Music, especially Christmas Music, can relax and de-stress as well as energize and motivate, not to mention move us spiritually.

Our annual Christmas Concert featuring BUMC's Sanctuary Choir, Bethesda Bells and Capital Carillon will take place in the Sanctuary on Sunday, December 11 at 3:00 p.m. and promises to be another great musical event with a chance to sing some of your favorite Christmas Carols.

Bring a friend or neighbor and introduce them to BUMC and all it has to offer. A free will offering will be taken.

Each service on Christmas Eve (4:00, 7:00 and 11:00 p.m.) will have approximately twenty minutes of live music prior to the service.

Thank You to our Audio Engineers

We offer a grateful shout-out to some very special individuals who operate our sound system each and every week: **Chris Anderson, Dave Flumbaum, Carl Eichenwald and Jacob Couch**.

Years ago, the need for sound enhancement on a Sunday morning in virtually any church consisted of no more than the pastor flipping a switch to turn on an amplifier. Many church sanctuaries didn't have or even need that! Now, many years later, we have multiple microphones, multiple speakers and monitors, and numerous musical ensembles with several different instruments that need to be balanced. All this work isn't just for the benefit of those in the Sanctuary, it's also for those joining us online via the livestream.

The process of mixing and delivering the sound to your pew or living room has been characterized as needlessly complicated in the past. The tasks outlined above are really just the tip of the proverbial iceberg. We acknowledge that the need is great, as are the demands on those individuals who give their time to make it sound great. That's right - they are volunteers! I hesitate to say that some churches pay big bucks for professionals to do what these guys do for nothing. We are lucky to have them! Frankly, I think our guys do as good a job, and sometimes a better job, with the sound than I've heard at ticketed concert events.

So, if you see any of these folks, say thank you. You may have to make a special trip to the balcony to say thanks, because so often they are the first to arrive and the last to leave for many services and events. If the "job description" above doesn't scare you away and you'd like to run the sound on Sunday at BUMC, let us know.

Worship - Events - Gatherings

December 4 - A Night in Bethlehem

Walk through the twinkle tunnel and enter into a night in Bethlehem. During this festive event, families can wander through the bustling Bethlehem marketplace and discover what life was like when Jesus was born.

Unlike your typical live nativity, everyone will create unique keepsakes as they interact with local shopkeepers who share the Christmas story. And they'll love talking to Mary and Joseph in the stable and hearing the miracle of Jesus's birth. Everyone will love visiting these stops along the way: the city gates, the carpentry shop, the painter's hut, the Bethlehem bakery, the music shop and the stable.

Please email kpeace@washmorefeet.org to volunteer. Donations are encouraged at the gate to help raise funds for youth mission trips this summer.

December 5: Comfort Corner

Join us on Monday, December 5, for Comfort Corner. Join us if you are grieving the loss of someone at your table last year but absent this one. Join us if an illness you or a loved one has makes it hard to find joy this season. Join us if you need comfort for any grief you are experiencing.

Young Adults: Let's Have a Festive and "Burritoful" Lunch

Hey young adults! Why go home between our morning service and the Christmas concert? We will provide a burrito bar lunch after church on **December 11th**. We hope you can help us brainstorm what is next for young adults and have some time for fellowship.

December 18 - Blue Christmas Service

Join us on Sunday, December 18 at 7:00 pm for our Blue Christmas service, a powerful service that helps us admit that Christmas is not always happy and that we can still find comfort and joy in the coming Messiah together. Contact Shaw for more information.

Sometimes the most unbelievable Christmas songs you hear on the radio isn't about a reindeer with a red nose so bright that they can pull Santa's sleigh.

Or a snowman that goes through fields of snow with kids following him as he dances away.

They are not about a Grinch finally figuring out the meaning of Christmas so that his heart really grows.

And, they are definitely not about Santa Claus checking his list twice or his kissing Mommy under the mistletoe.

No, Sometimes the most unbelievable song to listen to at Christmas is the song that tells us Christmas is the happiest time of the year.

Because as we all know no day is always happy, especially not in this season I fear.

December 18 - Christmas Pageant

Calling all angels, shepherds, and wise men! Mark your calendars because the annual BUMC Christmas Pageant will take place on Sunday, December 18 at the 11:00 a.m. service. All children will be able to participate either in person or virtually! Children will have the option to portray a character, narrate, sing or play an instrument.

December 19: BUMC Men

As a reminder, our Christmas party is coming up in a few weeks at John Borchert's home, 10140 Gary Road Potomac, 20854. We hope you can join us from 7 - 9 pm on Monday, December 19. The house has a long driveway with very little space near the house. Please park on Gary Road and walk up to the front door. Rev. HiRho will be providing Korean food, and please bring a dessert to share. We'll also continue our tradition of holding a gag gift exchange, so please bring a wrapped gift. The sillier and more ridiculous the better. Regifting is encouraged, and in any case don't spend more than $20. A link to RSVP will be coming soon to your email.

Please contact Neil Gregory or Franklin Zyriek with any questions.

MISSION AND ADVOCACY

GUN VIOLENCE PREVENTION

Asking Saves Kids (ASK): Christmas time is here and we may be visiting family and friends we don't see very often. Do you know if they have an unlocked gun in their home? You don't know for sure unless you ask. On Christmas Day two years ago, a 13-year-old accidentally shot and killed her 17-year-old cousin in Charles County, MD.

"Is there an unlocked gun in your home?" It's a simple question for parents, guardians and caretakers, but it could save a life. See Besmartforkids.org for more information on safe storage.

UMC position on Assault Weapons - excerpt from recent statement: "The United Methodist Council of Bishops commits to leading as peacemakers and prophetic witnesses to make our communities safer by reducing the tragedy and trauma of daily homicides and suicides. We call people to prayer and to work with ecumenical and interfaith partners in our public witness. We call for congregations to use United Methodist Church resources for Bible study and advocacy in their efforts to reduce gun violence. We support the ban on assault weapons and urge Church and government support for communities affected by the trauma of gun violence. We are committed to sharing Christ centered compassion as we walk alongside those who have been victims of gun violence. We call on all United Methodist to advocate for safer communities, safer schools and building bridges to beloved community."

If you are interested in lobbying to stop further sales of assault weapons, contact susanbender@comcast.net.

MISSION MONDAY

Our final Mission Monday for 2022 will be December 5. Please bring meat and cheese sandwiches and trail mix for Martha's Table, and non-perishable foods for Bethesda Help. We will be collecting in the Huntington Parkway parking lot from 8:30-10:00 a.m. If you have extra individually-wrapped candy, we would appreciate having it to make candy bags for the children on our Angel Tree.

If you have questions, please contact Nancy (Smithnancy@verizon.net) or Bruce (smithbruce@verizon.net). Thank you for helping feed the hungry this holiday season!

ANGEL TREE

Want to spread some Christmas cheer this year? BUMC is partnering with A Wider Circle to provide Christmas gifts to families who need a helping hand. Each ornament on our Angel Tree in the Narthex is labeled with a recipient's name, age, and gift request. We suggest that you aim to spend about $50/ornament.

Gifts should be wrapped, labeled with the ornament, and returned to the church on Sunday, December 11th, 9:00 am - 6:00 pm. There are also ornaments requesting grocery store gift cards and Target gift cards to be distributed to families. Gift cards should be placed in an unsealed envelope marked "Angel Tree" and can be dropped off anytime on or before December 11th in the lock box outside by the church offices. Questions? Email Dennis@washmorefeet.org.

COAT AND SWEATER DRIVE FOR MIGRANTS UNTIL DECEMBER 11

BUMC is participating in the Coat and Sweater Drive for Migrants organized by the Baltimore Washington Conference's Immigration Ministry. Winter coats and sweaters in adult sizes (small, medium, and large) for migrants new to the US are needed. Place donations in the large plastic bin in the narthex just outside our BUMC sanctuary, near the education wing.

All items must be new or gently used. Please do not drop off old clothing! December 11 is the last day of collection. If you have any questions, please contact Janet Edmonds at j.edmonds@erols.com.

CHURCH WORKS

How is God Calling You?

Have you ever wondered what it takes to run a church? A church is the body of Christ here on earth and lay people are the heart of that body! Lay people serve on committees and on our Church Council to run our church and church programs. Lay people work alongside our staff to create and oversee our budget, manage and maintain our physical infrastructure, enhance and plan our weekly and seasonal worship activities, provide human resources and staff support, plan and develop educational and Sunday School activities, and create and administer our outreach programs which allow us to serve out into our community and world.

Every year we look for volunteers to fill the needs of our committees and Church Council. We'd like you to discern where you see yourself serving here at BUMC. Do you have a background in accounting, billing, bookkeeping or finance? Perhaps you might consider being on our Finance Committee. Do you work in project management or have a background in human resources? Perhaps you might consider being on the Staff Parish Relations Committee (SPRC). Do you have a background in construction or maintenance, or just want to see our church property looking its best? Consider volunteering to serve on Trustees. Do you have children or youth and want to help to guide their spiritual growth and exploration? How about volunteering for our Education Committee positions? Do you love music, art or the seasons of worship? Consider being a volunteer on the Worship Committee.

We currently have needs on Trustees and Lay Leadership for the upcoming term, as well as openings for an Annual Conference Delegate and a Vice Chair for our Church Council. Please prayerfully consider how God might be calling you to serve this year and feel free to reach out to us or any of our current leaders listed below.

We invite all children in Pre-K through 3rd grade to join us during the 11:00 a.m. worship service for Kids with Purpose. Each Sunday, we gather in Room 104 after the Children's Message to hear scripture, say a prayer and work on a service project. Children return to parents during the end of worship or for communion. New volunteers are always welcome!

CHRISTMAS PAGEANT

Come see the Christmas story through our children's eyes at our annual Christmas Pageant, which will be presented in worship on Sunday, December 18th at the 11:00 am worship service. Our angels, shepherds, wise men, and animals are busy rehearsing their roles and can't wait to share this story of hope with all of you. If your child would like to participate please email max@washmorefeet.org.

Donations are encouraged at the gate to help raise funds for youth mission trips this summer. On December 11th we will have a grow night. Our youth will wrap up our December gatherings with a Christmas party on the 18th. We will enjoy a white elephant gift exchange, cookie decorating, Christmas games and an overall fun time. Join us!

Youth Sunday School

Meet us Sundays at 10:00 a.m. in the youth room! Youth Sunday School is unlike any other! First, we get to spend time socializing, or playing ping pong or pool. Next, we talk about our weeks and catch up. To finish, we will participate in our topical devotion time that will typically consist of scripture reading, a brief explanation from the devotion leader, and discussion questions.

The best part about these discussions? The topics are chosen by YOU! So far we talked about Joy, abundance, wisdom, and justice!
