It's Time to Arise and Shine - BUMC in 2023

"Arise, shine; for your light has come, and the glory of the LORD has risen upon you" (Isaiah 60:1), the prophet Isaiah urges us in the New Year of 2023.

According to "Year in Review" by Barna Group, an evangelical Christian research group (https://www.barna.com/research/year-in-review-2022/), there was a 28% drop in in-person church attendance in 2022. However, BUMC has steadily increased our in-person attendance, and we had the most attendance (about 350 vs. 150 in 2021) for Christmas Eve Services in three years. We may consider providing two services by the Fall of 2023 if we continue this trend. In addition, our online attendance has been steady, and we are exploring ways to engage our online participants more on Sunday mornings.

To "Arise and Shine," BUMC wants to focus on three areas in 2023: implementing BUMC Canopy - a small group ministry; achieving financial stability by sharing facility and building maintenance fees creatively, and creating more engagement in online church.

We, the Bethesda UMC, have accomplished a lot since President Biden declared endemic in September 2022. Under the leadership of Mike Mitchell and the Stewardship Team, we raised about $725,000 to support BUMC ministries for 2023. We revitalized all our age-level ministries - Children, Youth, Young Adults, UM Men, UM Women, and Senior Citizens. Weekly Bible Study, New Members Class, Women's Book Group, Grief Group, Prayer Bites, and Listening Sessions drew members closer to God. Our music ministry - Sanctuary Choir, Praise Band, Children's Choir, Bell Choir, and Church Folks - provided so much joy and gratitude to our hearts.

BUMC continued our support for Sandwich Monday, Free Little Pantry, Foster Care Ministry, Migrant Ministry, Angel Tree, and educational institutions in Mongolia, Tanzania, and the US. Our prayer ministry has been the foundation of our life together: You Are Known prayer ministry - praying for seven families and individuals each week, Wednesday Taizé Prayer Service, Thursday Visio Divina Prayer Meeting - a way of praying and being attentive to God with our eyes, and Evensong Services. And we added a new text-message ministry during Advent.

BUMC also was diligent in implementing justice ministries, such as creating a banner to welcome all people, including the LGBTQIA+ community, offering the BUMC Congregational Fund to assist those who need extra help, and conducting Listening Sessions by providing a space for dialogue about critical social issues. Starting with the first all-church picnic in October 2022, we pulled together big gatherings, such as Advent Workshop, A Night In Bethlehem, and Men's and Women's Christmas Parties. The Fellowship Time added a time to build relationships and reconnect with friends and families. To enhance our gathering, a family gave a gift of new carpet for the sanctuary, Narthex, and office area, brightening the church and creating a more welcoming environment.

Meanwhile, our media technology ministry flourished. BUMC launched a new website; created more engagement among members during the week through Three Things To Know, Weekend Updates, Facebook, and Instagram; live-streamed Sunday services and special services; created a new format of the monthly newsletter, Messenger; published the new Membership church directory, the Church Leadership and Staff Directory; and enhanced our marketing. The Lehmann gift provided the foundation of our media technology ministry and helped BUMC to get ahead of the curve with an online church.

We also installed an online giving app (PayPal) and are ready to launch an online "swag shop" for BUMC in the New Year.

BUMC also let go of one full-time pastoral position and created two part-time positions, Minister of Worship and Justice, and Assistant Director of Children's Ministry. The 2022 church statistics show more than one million part-time pastors and church staff in North America, and part-time church leaders will be a trend leading into 2023.

We are actively seeking ways to share our building. For example, trustees have been working to keep the building up to the building safety code so we can house a nursery or preschool in 2023. We are also exploring different ways to save the maintenance fee

of the building, such as installing solar panels, and steadily working on increasing building security.

Unfortunately, many pastors (nearly 38%, The Barna Group Survey) are considering stepping away from full-time ministry. This percentage is up from the 29% previously reported in January 2022. However, BUMC has two pastors who are enthusiastic and full of energy, loving people and ministries. Dr. Shaw and I work well together; we always laugh and encourage each other. Our weekly staff meeting is engaging and energizing.

Most of the ministries mentioned above came together since the endemic in September 2022. We have accomplished much as a church, and BUMC will continue practicing our discipleship with excellence.

To "Arise and Shine," BUMC wants to focus on three areas in 2023: implementing BUMC Canopy - a small group ministry, achieving financial stability by sharing facility and building maintenance fees creatively, and creating more engagement of online church.

The darkness of Covid virus has covered the earth for the last three years; however, the prophet Isaiah is encouraging us in the dawn of 2023: "Lift up your eyes and look around; they all gather together, they come to you. Be radiant and rejoice" (Isaiah 60:4-5).

Praying Together

There are two opportunities during the week to join with others from our church in prayer. You're invited to stop by the church on Wednesdays at noon and be part of a Taizé Prayer Service. This time of worship includes communion and will be led by Rev. HiRho and/or Dr. Shaw Brewer. Then, on Thursdays at noon, you are invited to be part of an online prayer time with Shaw Brewer and others from our congregation. Email Shaw for the Zoom link.

Online Prayer Requests

We are shifting the way we distribute our prayer list in order to provide more safety and security. If you wish to receive the list each week via email, please use the form on our website, https://washmorefeet.org/prayer-ministry to sign up. As always, we will continue to have the printed version of the prayer list available at our worship services. Please know that our prayer team will be praying for you and your loved ones throughout the week.

- Mail a check to the church office

COVID Update

BUMC will no longer require a mask for those helping with children except those working in the nursery.

Our Re-Entry Team continues to monitor the situation, and if any changes are warranted or mandated by the county we will adjust and communicate to the congregation. In the meantime, stay safe and stay in connection with the BUMC community and with God.

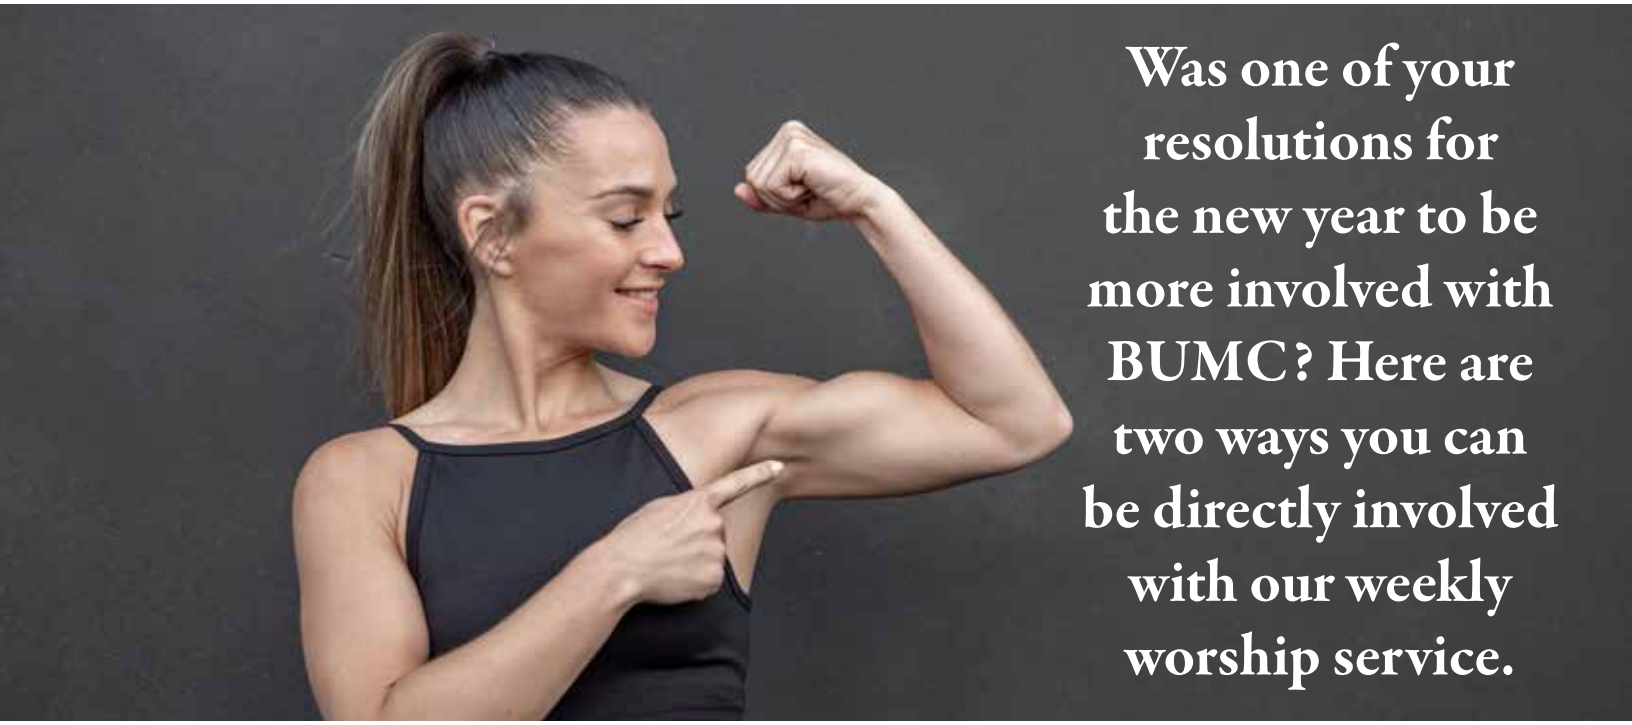
Altar Flowers

Want to help beautify our altar for worship on Sundays while also remembering or honoring a loved one? We invite you to sign up to provide an arrangement of flowers on the Sunday of your choice.

You can have us place an order from our florist, order one yourself from your choice of florist, or make your own arrangement from flowers picked from your garden. Just let us know your preference on our online signup (washmorefeet.org/flowers).

Questions? Contact Sue O'Hara.

New Year! New You?



Was one of your resolutions for the new year to be more involved with BUMC? Here are two ways you can be directly involved with our weekly worship service.

1 **MUSIC** - The music program is open to all, and what better way to beat the winter blues than to sing, ring or play!

- Sanctuary Choir meets Thursdays at 8:00 p.m. in the Sanctuary. Contact Max Nolin - max@washmorefeet,org
- The praise band meets Thursdays at 6:30 p.m. in the Sanctuary. Contact Chris Warrington - chris@washmorefeet.org
- Bethesda Bells meets Mondays at 7:30 p.m. in the Choir Room. Contact Gail Williams - gail@washmorefeet.org
- Church Folk meets occasionally and during Lent. Contact John Euler - john@eulers.net
- Would you like to sing or play a solo sometime during the worship service? Contact Chris Warrington - chris@washmorefeet.org

2 **TECH** - The responsibility on the tech team is growing, and therefore so is the need for people to help out! This is a behind-the-scenes but vital component to our worship experiences at BUMC. No experience is necessary - we will train you!

Sound - The soundboard controls almost everything that needs to be heard during the worship service - speaking, singing, playing of instruments, etc. It is not only crucial to provide adequate sound support for those in the Sanctuary, but also to provide stellar sound for the livestream. Folks have begun to join BUMC from outside Maryland because of the worship experiences we provide via our livestream.

Slides - The slides that appear on the screens during worship contain announcements, hymn or song lyrics, and other aspects of worship. They are advanced manually by the click of a mouse or touch of a button at the appropriate time - it's not as easy as it sounds, but really effective and even fun when the task is performed well.

We are in need of volunteers to fill these positions now, so don't wait - get involved today!

Worship - Events - Gatherings

Young Adult Brunch

All young adults, in their 20's and 30's, are invited to brunch with us after service on January 29th. We will meet in the narthex following worship for a time of fellowship and brainstorming about our plans for the spring and beyond. Contact Grace Yanagawa at gyanagawa89@gmail.com.

Women's Potluck

All women of the church are invited to the January 25, 6:30 p.m. potluck at Janet Edmonds' home (3814 Kenilworth Drwy, Chevy Chase). Please mark your calendars and contact Rebecca with questions or to RSVP (r33conley@gmail.com).

Listening Session of Support

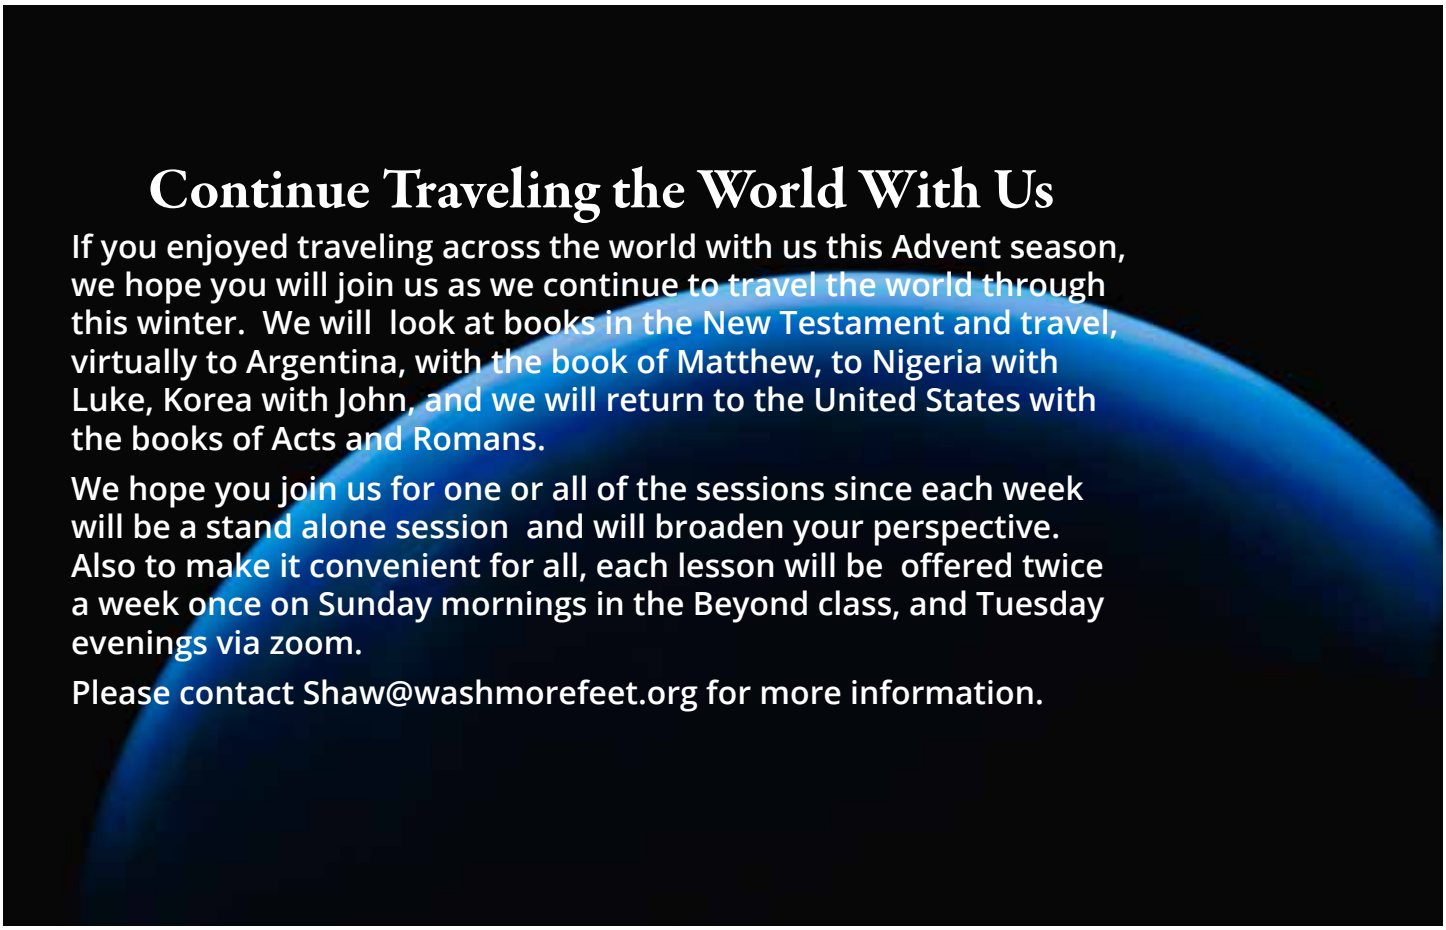
On January 22, we will have a listening session to show our support for LGBTQIA+ community. We will meet at 12:30 and Dennis will start by beginning his experience in the church and then Chet Jechura, a provisional elder in the Baltimore Washington conference. We will take this as an opportunity to reaffirm our stance as a reconciling ministry and show our support.

Men's Group Service Project

Join us on Saturday, January 14 for a BUMC Men's Group service project at the church from 9:00 a.m. to 12:00 p.m. There are a number of things to do around the church and we could use your help whether you consider yourself "handy" or not! Work materials will be provided - just come with a "can do" attitude and wear clothes you don't mind getting dirty. We hope you can join us for all or some of the morning!

Introduction to Judaism

Rabbi Greg Harris from Congregation Beth El will lead a 3 part course on the basics of Judaism. This online interactive class will cover Jewish holidays, perspectives on the Hebrew Bible (Torah), and Jewish law. To participate in the class, please get in touch with Rev. HiRho at hrpark@washmorefeet.org. The dates are January 12, 19, and 26 from 7-8 p.m.



Continue Traveling the World With Us

If you enjoyed traveling across the world with us this Advent season, we hope you will join us as we continue to travel the world through this winter. We will look at books in the New Testament and travel, virtually to Argentina, with the book of Matthew, to Nigeria with Luke, Korea with John, and we will return to the United States with the books of Acts and Romans.

We hope you join us for one or all of the sessions since each week will be a stand alone session and will broaden your perspective. Also to make it convenient for all, each lesson will be offered twice a week once on Sunday mornings in the Beyond class, and Tuesday evenings via zoom.

Please contact Shaw@washmorefeet.org for more information.

Church Works

How is God Calling You?

Have you ever wondered what it takes to run a church? A church is the body of Christ here on earth and lay people are the heart of that body! Lay people serve on committees and on our Church Council to run our church and church programs. Lay people work alongside our staff to create and oversee our budget, manage and maintain our physical infrastructure, enhance and plan our weekly and seasonal worship activities, provide human resources and staff support, plan and develop educational and Sunday School activities, and create and administer our outreach programs which allow us to serve out into our community and world.

Every year we look for volunteers to fill the needs of our committees and Church Council. We'd like you to discern where you see yourself serving here at BUMC. Do you have a background in accounting, billing, bookkeeping or finance? Perhaps you might consider being on our Finance Committee. Do you work in project management or have a background in human resources? Perhaps you might consider being on the Staff Parish Relations Committee (SPRC). Do you have a background in construction or maintenance, or just want to see our church property looking its best? Consider volunteering to serve on Trustees. Do you have children or youth and want to help to guide their spiritual growth and exploration? How about volunteering for our Education Committee positions? Do you love music, art or the seasons of worship? Consider being a volunteer on the Worship Committee.

We currently have needs on Trustees and Lay Leadership for the upcoming term, as well as openings for an Annual Conference Delegate and a Vice Chair for our Church Council. Please prayerfully consider how God might be calling you to serve this year and feel free to reach out to us or any of our current leaders listed below.

Mission and Advocacy

Gun Violence Prevention

The next planning meeting of BUMC's Gun Violence Prevention Ministry will be Monday, January 23 at 7:30 p.m. on Zoom. All are welcome to join us as we make plans for the next few months.

Safe Storage Advocacy

We also invite you to learn more about safe storage of firearms (see below) and share this information with friends or family who own guns. An estimated 5.4 million children in America live in homes with guns that are both loaded and unlocked. In addition to tragic unintentional shootings, every year nearly 700 children age 17 and under die by suicide with a gun (including one of my friend's daughter). An unsecured gun in the family home was used by a St. Mary's County 17-year-old to kill his ex-girlfriend in their high school hallway in 2018. An unsecured gun in the family home was also used in the Sandy Hook elementary school shooting and the more recent Michigan school shooting. By properly securing their firearms, gun owners can help prevent these deaths.

To prevent access, firearm storage should include three methods employed in combination: unload the ammunition, lock the firearm, and store the firearm and ammunition in separate locations. Besmartforkids.org offers more information about firearm storage.

The Maryland General Assembly is expected to take up a bill on safe storage when it convenes this month. Maryland has a law requiring safe storage, but the bill would increase the age of those who must be protected from 15 to 17 (to include the boy who shot his ex-girlfriend, hence the name "Jaelynn's Law"). The bill would also increase the penalties if a person under age gains access to the firearm and uses it to harm another. We'll be sharing more details with you next month on how you can advocate for safe storage.

Mission Monday

Our first Mission Monday of 2023 will be Monday. January 2! I know it is a holiday for many of you, so let's start the New Year by helping the hungry in our area!

We will collect meat and cheese sandwiches and homemade trail mix for Martha's Table, and canned goods and other non-perishable foods for Bethesda Help, from 8:30 until 10:00 a.m. in the Huntington Parkway Parking Lot at BUMC. We hope to see you there!

Questions? Contact Nancy (smithnancy@verizon.net) or Bruce Smith (smithbruce@verizon.net).

January 16, 10:30 a.m. on zoom: Virtual advocacy training/learn about safe storage and other GVP issues and sample letters and emails to elected officials as part of our MLK Day of Service.

Advocacy days in Annapolis: January 31 for Moms Demand Action; February 9 for our Baltimore-Washington United Methodist Conference Legislative Advocacy day on a variety of topics, including GVP.

Thanks from Bethesda Help!

It has been an incredibly busy year for our organization, and we wanted to show you what you made possible in 2022:

- 6,635 clients received food deliveries (an average of 553 per month), including 4,499 adults and 2,136 children
- 66,788 pounds of food were delivered (more than 33 tons!)
- 1,796 children received healthy snack bags
- 3,082 clients received Giant Food grocery cards (for perishable grocery items)

In addition to providing food for our clients, your donations have:

- Helped prevent 25 evictions
- Helped prevent 22 utility cutoffs
- Provided medical assistance to 11 clients
- Provided prescription assistance to 23 clients

Our small organization is now serving more than twice as many clients as we did three years ago (pre-COVID). Thank you for sustaining us through these difficult financial times. We—our all-volunteer organization and our clients—need and appreciate your support now more than ever.

Would You Like to Help the Migrants Who are Arriving by Bus to Our Area?

We are all aware of the thousands of migrants who are being bussed to D.C. They have survived treacherous journeys and often arrive with no possessions. Congregation Beth El (across the street from BUMC) has invited us to join them in participating with SAMU First Response, a humanitarian aid organization that assists at global emergencies by deploying medical teams where critically needed. It is a 501(c)(3) registered charity, based in Washington D.C. It is currently doing amazing work in meeting people coming off the buses and running two migrant respite centers in the area.

Already, Beth El was successful in providing over 200 backpacks containing school supplies that were delivered to locations in D.C.

SAMU First Response has reported that the number of buses arriving in DC has increased dramatically. Over seven buses have arrived in D.C. from one entry point in Texas. The SAMU First Response team has been stretched thin over the holidays and have a desperate need for your support in both their respite center (Montgomery County) and with greeting buses (Washington D.C. upon arrival).

Coordinated by Beth El, there have already been three initial meetings, either virtually or in person, within the past month to orient volunteers for SAMU First Response. You may contact Amy Hammond from SAMU, volunteers@samufirstresponse.org or ahammond@samufirstresponse.org to sign up for the orientation or register at the POINT app at https://pointapp.org/ to sign up for volunteer shift opportunities after being oriented. Orientation sessions are on January 4 or 11, from 10-11 AM. In addition, there will be evening training sessions in the new year. Opportunities include helping with the kids and/or serving meals at the respite center, greeting migrants at Union Station arriving off the buses, and bilingual tutoring. There have been many buses arriving this month, and the needs are great.

Debby Appelbaum, from Beth El, has put together additional information, below, for other ways we can assist the recent migrants.

Donations

There is an urgent need for cell phones, data cards, and other essential supplies (socks, hats, gloves etc.) that can be found here => The cell phone is currently on sale for $40. When you check out, make sure to check SAMU First Response for the recipient. It should come up as the first option under “other addresses” at check out.

Food Insecurity

We are looking into ways to supplement the food offered at the respite center with fruit and other deliveries–more information from Beth El on this soon. We would appreciate drivers for this task.

If you are interested in helping these recent migrants, please email Debby Appelbaum at debbyappelbaum@gmail.com, who is coordinating volunteer activities from Congregation Beth El.

Children's Ministries

Sunday School 10 a.m.

Let's GROW Sunday School: After the holiday break, children are invited to join our Sunday School teachers back in the classroom on January 8th.

Sunday Worship 11 a.m.

Acolytes, Scripture readers

Let's WORSHIP Acolytes & Readers: We invite children to serve as acolytes and read scripture during our 11:00 am Sunday morning worship services. Please email Kara Peace (Kpeace@washmorefeet.org) if your child would like to be included on our team of acolytes and/or our team of scripture readers. Kara is happy to work with children to help them prepare for each type of worship ministry plus we have online training that is simple and quick. We love having children be a part of our BUMC worship experience!

Kids With Purpose

Kids with Purpose takes place for children in PreK - Grade 3 during worship. Children will depart the service after the Children's Message to go to Room 104 with their Kids with Purpose Teachers. In January, we'll put together packets of easy projects to mail to families that haven't been to church lately – outreach packets with a letter encouraging them to return. After that, items for women's shelter. KWP will also make bags for cocoa in the park – packets with hot cocoa and marshmallows. Thank you to Emily Cevallos and our other volunteers for their continued leadership of Kids with Purpose. We are grateful for all of our teachers!

We could use some additional KWP volunteers, so if you are willing to teach or assist on any given Sunday, please be in touch with Kara Peace (kpeace@washmorefeet.org) or Dennis Williams (dennis@washmorefeet.org).

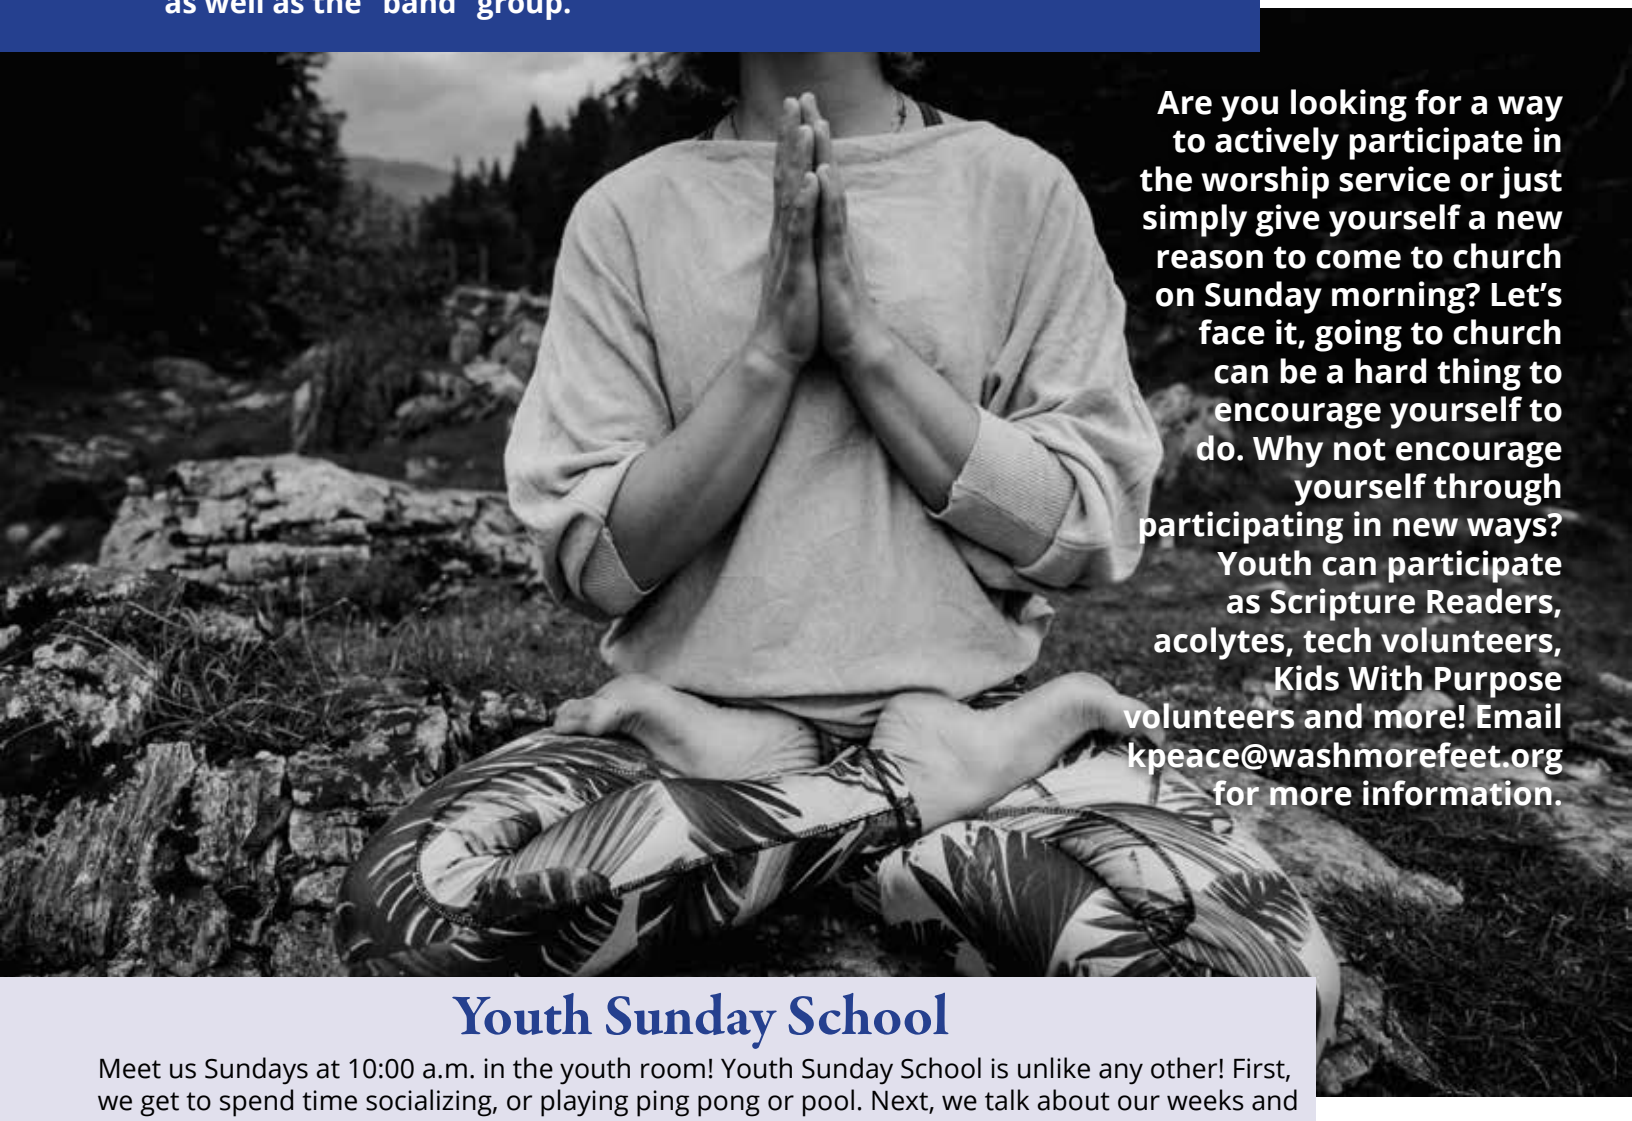
Nursery

Did you know we have nursery care each Sunday during 10am Sunday School and 11am Worship? Our Nursery has been a longstanding service at BUMC. If you would like your littles to receive care during the service or if you would like a calm place to step away from the service with them, come on by!

Thank you for a wonderful 2022!

Youth Ministries

Join us this month for a variety of events and activities with BUMC Youth Ministries. More detailed information can be found in our weekly emails as well as the "band" group.



Are you looking for a way to actively participate in the worship service or just simply give yourself a new reason to come to church on Sunday morning? Let's face it, going to church can be a hard thing to encourage yourself to do. Why not encourage yourself through participating in new ways? Youth can participate as Scripture Readers, acolytes, tech volunteers, Kids With Purpose volunteers and more! Email kpeace@washmorefeet.org for more information.

Youth Sunday School

Meet us Sundays at 10:00 a.m. in the youth room! Youth Sunday School is unlike any other! First, we get to spend time socializing, or playing ping pong or pool. Next, we talk about our weeks and catch up. To finish, we will participate in our topical devotion time that will typically consist of scripture reading, a brief explanation from the devotion leader, and discussion questions.

The best part about these discussions? The topics are chosen by YOU!

Fasting Prayer - First Saturday of Each Month in 2023

The BUMC practiced a day of fasting for BUMC on November 5, 2022. We learned that fasting draws us nearer to God through the power of the Holy Spirit.

In Acts chapter 13, we see Paul and Barnabas ministering to the church in Antioch with worship and fasting (v.2). Their prayer focus was "Where do we go from here as a church?" They were seeking the Holy Spirit's leading in their mission direction. They were hungry for God's leading for their ministry and wanted to know God's will for the mission of their church.

We learned that fasting draws us nearer to God through the power of the Holy Spirit.

BUMC is at a pivotal juncture for revitalization and vertical and horizontal growth. Vertical growth means growing in numbers, and horizontal growth means building and reconnecting relationships to ensure a sense of belonging. The head of the church is Jesus Christ; therefore, we should seek the guidance of the Lord earnestly and sincerely for the church's future work.

On the first Saturday of each month, we encourage you to fast as you pray for BUMC and its ministry. You can fast a meal or two or a whole day according to your health condition. But, the most important thing is that God will be glorified by our yearning to know how the Lord leads BUMC. **So, let us pray together with fasting starting January 5, 2023.**
